Re: Facial Coverings

I want to start by thanking all of the students, staff and parents for a great school year. There is no denying that this school year was challenging and stressful for all of us. It was inspiring to witness our community come together and take care of each other. The success of this school year was a reflection of the sacrifices made by all of us.

The Ohio Department of Health Director's Order Requiring the Use of Facial Coverings in Child Education Settings expired on June 2, 2021. This means that facial coverings are no longer needed to be worn in Montpelier School District facilities. This does not prevent anyone who chooses to wear a facial covering from doing so and it is my hope that we will respect those who still choose to wear a facial covering.

Enjoy your summer and we can't wait to see you back in the fall for what we hope is a more "normal" 2021-22 school year! Once again, thank you for making this year possible.

Sincerely,
